AV ROY.

SIRE,

Ayant eu l'honneur de preſenter à voſtre Majeſté les vrais Portraicts des Rois vos Predeceſſeurs, tirez de ces precieux Monumens que leur antiquité rend venerables; I'ay creu que le deuoir m'obligeoit de vous en offrir auſſi les Medailles, comme des caracteres ſacrez de ce qu'ils ont fait de plus illuſtre, & de plus digne de la memoire des hommes. Ceux qui les ſçauront conſiderer auec attention, y trouueront quantité de choſes memorables, par qui ſe découurent aux yeux de toute la terre les eminentes grandeurs & les glorieux ſuccez de voſtre France. Ils y verront les precieuſes marques des Victoires & des Conqueſtes de ceux qui en ont tenu le Sceptre, les diſgraces & les faueurs qu'ils ont receuës de la Fortune, le haut comble de gloire où la Vertu les a fait monter, & les eſtranges difficultez que leur courage a vaincuës. Mais ie ſuis bien aſſeuré, SIRE, qu'en ces figures Hyerogliphiques, ils ne verront pas ny des effects de Prudence, ny des prodiges de Valeur, ny des merueilles de Generoſité, de Iuſtice, de Pieté, de Sageſſe, de Moderation & de bonne conduite; ny pour le dire en vn mot, des actions miraculeuſes & comparables aux voſtres. Comme elles ſont ſans exemple au ſiecle où nous ſommes, elles font auſſi que voſtre Regne n'eſt pas moins floriſſant que celuy d'Auguſte, & qu'à V. M. mieux qu'à ce Prince ſi fameux dans les Hiſtoires, ſe doiuent ces titres heroïques de VICTORIEVX, *de* IVSTE, *de* LIBERATEVR, *&* DE PERE DE LA PATRIE. *Par eux vous regnez ſouuerainement dans les volontez de vos Peuples, & peut-on bien dire que leurs cœurs ſont les images viuantes, où l'Obeiſſance & la Fidelité, qui leur ſeruent d'Inſcriptions, ſe conſerueront plus long-temps que ſur des tables de marbre, ou ſur des Medailles d'Or & de Bronze. En voicy vn aſſez bon nombre, SIRE,*

que i'ay eu le ſoin de recueillir dans les plus curieux Cabinets de voſtre Royaume, afin de reduire le tout ſelon l'ordre des temps, & en faire vn Liure, pour le conſacrer à V. M. ſous le titre de LA FRANCE METALLIQVE. *Puis donc que i'ay eſté ſi heureux que d'eſtre venu à bout de cét Ouurage, ie le ſeray bien plus encore, s'il plaiſt à voſtre Majeſté l'auoir agreable, & ſi par ceſte preuue de reconnoiſſance & de zele ie puis teſmoigner à tous combien paſſionnément ie deſire d'eſtre aduoüé,*

SIRE,

DE VOSTRE MAIESTE',

Le tres-humble, tres-obeïſſant, & tres-fidelle
ſeruiteur & ſubject,
